

OUR MISSION

Through the efforts of hundreds of dedicated volunteers, Bibles for Missions Thrift Centers fund God's Word for the Bible League to place around the world.

Donated clothing and household goods are accepted at each Center. Our volunteers sort, price, and sell the items. But there's more!

Thrift Center volunteers find a wonderful place of Christian fellowship at the Centers. They find a powerful sense of "family" as they walk through life and minister together.

Thrift Center customers have access to quality, clean merchandise at reasonable prices. In addition to getting a good deal, they know the profits provide Bibles to those who are waiting. After expenses, all funds are given to the Bible League.

Every day we are open, Bibles for Missions Thrift Centers fund thousands of Bibles!

YOU can make a difference!

Bible League

God's Word in Action

Ever come to the end of a week and wonder what you really accomplished? That's not an issue for Bibles for Missions Thrift Center volunteers.

AROUND THE WORLD

Our volunteers tell us that every hour spent at a Thrift Center is personally fulfilling because they are providing God's Word for someone who desperately wants it.

- A mom in Nigeria who is looking for hope in the midst of unspeakable pain.
- A pastor in China who just gave his only Bible away to a new believer.
- A child in Mexico who receives the first Bible to ever come into his/her home.

IN YOUR COMMUNITY

Every Center has stories to tell. . .

"In the sporting goods section, you helped me find Jesus."

"Because of you, there will be gifts under our Christmas tree this year."

"After our home burned, you helped us provide for our children."

IN YOUR LIFE

Our volunteers find a sense of family. They walk through life's joys and trials together.

"When my husband died, I felt lost. But going to the Center brought comfort from my amazing friends, and a sense of value as I work to get Bibles to people around the world."

**Our volunteers end each day knowing they've made a difference!
We'd like you to join this amazing team!**

We are called by God to provide Scriptures and training worldwide, so that people prepared by the Holy Spirit will be brought into fellowship with Christ and His Church.

Bible League provides Bibles that are needed by people around the world. But we don't stop there – we make sure those Scriptures are used for evangelism, discipleship, and church growth. That's what makes the Bible League unique.

Today, we work with churches in more than 60 countries, training indigenous Christians to lead Bible studies. Our mission is not complete until those studying God's Word are enfolded into the fellowship of a church in his/her community.

There are many places in the world where there are no local churches, so we train Christians to establish new ones.

When you partner with the Bible League, you can make a kingdom difference

Since 1938, more than 700 million Scriptures have been provided in 450 languages.
